SPEAKERS

Johan P. Reyneke, M.Ch.D., FCMFOS(SA), Ph.D.

Johan Reyneke qualified as a Maxillofacial and Oral Surgeon at the University of Pretoria in 1979 and is in private practice in Johannesburg. He is an active part time member of the Department of Maxillofacial and Oral Surgery at the University of Witwatersrand where he received a honorary Professorship in 1990. He has also been appointed Clinical Professor in the Department of Oral and Maxillofacial Surgery at the University of Oklahoma, U.S.A. as well as the University of Florida, U.S.A. and is the Director of the Centre for Orthognathic Surgery at Sunninghill Hospital, Johannesburg. He is also a member of the Craniofacial Unit at the Faculty of Health Sciences, University of the Witwatersrand. He received his Doctorate from the University of Tampara, Finland for a thesis entitled – Rotation of the maxillomandibular complex – an alternative treatment design in Orthognathic Surgery.

Johan has a passion for Orthognathic and Reconstructive facial surgery and has presented numerous courses and papers and published extensively locally, as well as internationally. He currently presents a course "Orthognathic Surgery - Occlusion and beyond" in various locations around the world. Dr. Reyneke is the author of several books and book chapters on orthognathic surgery and his most recent book "Essentials of Orthognathic Surgery" was published in March 2003. His experience in clinical orthognathic surgery is vast having performed more than 7000 orthognathic procedures.

He served as President of the South African Society of Maxillofacial and Oral Surgeons from 1994 to 1998 and is the president of the College of Maxillofacial and Oral Surgeons of South Africa.

Joseph P. McCain, DMD

- ▶ Professor of Oral and Maxillofacial Surgery, Nova Southeastern School of Dental Medicine Ft. Lauderdale, Florida
- ▶ Chief of Oral and Maxillofacial Surgery, Baptist Hospital, Miami, Florida
- ▶ Board of Directors Baptist Hospital, Miami, Florida
- ▶ Diplomat of the American Board of Oral and Maxillofacial Surgery
- ▶ Board Examiner of the American Board of Oral and Maxillofacial Surgery
- ▶ Graduate, University of Pittsburgh School of Dental Medicine, 1970
- ▶ Residency, University of Miami – Jackson Hospital, 1979
- ▶ Private Practice, Miami, Florida

Dr. McCain practices the full scope of Oral and Maxillofacial Surgery. His special interest includes minimally invasive endoscopic surgery.

Dr. McCain has published numerous peer reviewed articles and text book chapters on endoscopic techniques and outcomes. He authored the textbook Principles and Practice of Temporomandibular Arthroscopy, published in 1996. Dr. McCain's current research interest is the development of the office based TMJ Arthroscopic system.

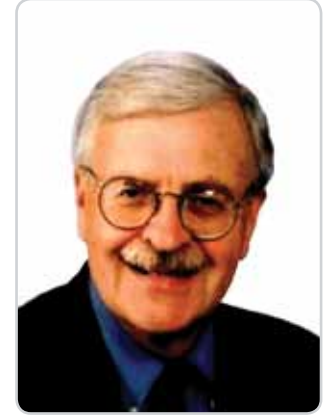

Franklin M. Dolwick, DMD, Ph.D.

Oral & Maxillofacial Surgery and Diagnostic Sciences

- ▶ Professor, Oral and Maxillofacial Surgery Division Head, Director of Hospital Dentistry for Shands Healthcare at UF
- ▶ DMD, University of Kentucky 1971
- ▶ PhD, Virginia Commonwealth University 1976
- ▶ Certificate Oral & Maxillofacial Surgery, Medical College of Virginia 1976
- ▶ Written several publications and abstracts
- ▶ Received the 2006 Distinguished Alumni Award from his dental alma mater, the University of Kentucky College of Dentistry
- ▶ Florida Gator

Dr. Dolwick's main areas of interest include the surgical treatment of temporomandibular disorders including internal derangement, degenerative joint disease, hypermobility, ankylosis, fractures and pathology. Other interests include surgical treatment of skeletal facial deformities including orthognathic surgery, distraction osteogenesis and reconstruction, Craniofacial deformities including Craniofacial deformities and cleft lip and palate.

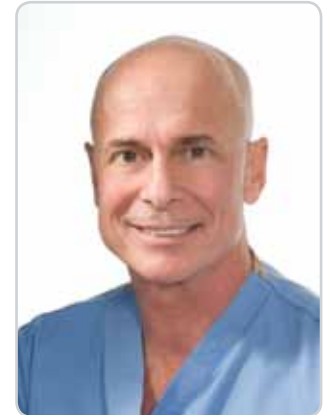

Dr. Dolwick's current research interest is the management of temporomandibular joint internal derangement with arthrocentesis.

Joe Niamtu, DMD

Joe Niamtu, III DMD is a board certified OMS who limits his practice to cosmetic facial surgery. Dr. Niamtu is well known in international cosmetic surgery circles as a teacher, author and clinician. He has published over 200 articles on cosmetic facial surgery edited 3 textbooks and has contributed 20 textbook chapters to textbooks in OMS, dermatology, facial plastic surgery, oculoplastic surgery and cosmetic surgery.

Dr. Niamtu is currently authoring a sole author text on cosmetic facial surgery. Dr. Niamtu is a preceptor for Botox and several filler and laser companies, hosts live surgery workshops and has been featured on the cover of Plastic Surgery Practice magazine. He is passionate about cosmetic facial surgery and provides an entertaining and informative presentation.

Steven M. Sullivan, DDS

Dr. Sullivan has devoted much of his professional career developing orthognathic surgery as the main focus of his practice. His practice is devoted to surgical correction of dentofacial deformities, temporomandibular joint reconstruction and complex dental implant reconstruction of the maxillofacial region. Dr. Sullivan lectures nationally and internationally on these topics.

He completed his dental training at the Baylor College of Dentistry in Dallas, Texas in 1983. He then underwent oral and maxillofacial surgery training at the University of Oklahoma, completing the program in 1988. His international training experiences included the West of Scotland Plastic and Oral Surgery Unit in Glasgow Scotland, as well as the University of Melbourne and Royal Children's Hospital as a fellow in the Plastic and Maxillofacial Surgery unit in Melbourne, Australia.

Dr. Sullivan is currently Professor and Chairman at the University of Oklahoma Department of Oral and Maxillofacial Surgery. He has served on the examination committee for the American Board of Oral and Maxillofacial Surgery, has been President of the Oklahoma Society of Oral and Maxillofacial Surgeons and the Southwest Society of Oral and Maxillofacial Surgeons.

Tony McCollum, HDD, M Dent

Professor McCollum graduated from the University of the Witwatersrand in 1970 with a BDS degree. From 1974 to 1976 he studied post graduate orthodontics at the University of the Witwatersrand graduating with an HDD (Orth) and an M.Dent degree in 1978. He has been in private practice since then but also serves on the post graduate teaching staff in the orthodontic department at the University of the Witwatersrand.

Dr. McCollum is involved in research with a particular interest in orthognathic surgery. He lectures locally and overseas, has published internationally and will be the guest editor of the September 2009 issue of Seminars in Orthodontics which will be entitled "Facial Soft Tissue: the basis of the orthognathic treatment planning". He is a past

president of the South African Society of Orthodontics and is married to Louisa and has three grown children.

Maxillofacial Educational Series

- ▶ **Orthognathic Surgery**
- ▶ **TMJ Surgery**
- ▶ **Cosmetic Facial Surgery**
- ▶ **Arthroscopic TMJ Surgery**

Funding for this course was provided by an educational grant from Biomet Microfixation.
