

Dear Joe,

I want to thank you for what turned out to be a great experience, this was definitely the best course I have attended to. It has been a month since I just came back from Richmond and the results at my practice are showing. It absolutely transformed my surgical approach and most important, the way I see the cosmetic practice.

I feel lucky to meet people like you, that besides from being a great practitioner, you enjoy transmitting all of your knowledge and passion to others.

Finally, the doors of my house and office are always open. Nothing will make me happier than listening from you paying a visit to Mexico. Hope you and your family are ok, say thanks to your lovely wife for her wonderful attentions.

PS. Check out the pic.

Sincerely,

Dr. Abraham Montes de Oca
