CONTINUING EDUCATION

FACULTY DISCLOSURE POLICY

It is the policy of Saint Louis University School of Medicine to insure balance, independence, objectivity and scientific rigor in its continuing medical education program. Faculty participating in these activities are required to disclose to the audiences prior to the activity the following:
(1) The existence of any significant financial or other relationship with the manufacturer of any commercial product or provider of any commercial service discussed. (2) Their intention to discuss a product that is not labeled for the use under discussion. (3) Their intention to discuss preliminary research data.

VALIDATION OF CONTENT

Saint Louis University School of Medicine follows the ACCME policy on Validation of Content for CME activities which requires that:
• All recommendations involving clinical medicine must be based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients.
• All scientific research referred to, reported or used in CME in support or justification of a patient care recommendation must conform to the generally accepted standards of experimental design, data collection and analysis.
Saint Louis University School of Medicine will review this activity's disclosures and resolve all identified conflicts of interest, if applicable.

GENERAL INFORMATION

WORKSHOP LOCATION

This workshop will be conducted at Practical Anatomy & Surgical Education located at 3839 Lindell Boulevard, St. Louis, Missouri 63108-3413.

CANCELLATION and REFUND POLICY

Cancellations received three weeks prior to the course will be refunded less a 10 percent processing fee. The conference is not responsible for travel expenses incurred. In the event the conference is cancelled, the tuition fee and flight transfer fee (original receipt required) are reimbursable.

PLEASE NOTE

If you have NOT received confirmation of registration prior to your departure, contact Practical Anatomy. Registration cannot be processed until full payment is received. Practical Anatomy is not responsible for expenses incurred by individuals who are not confirmed and paid-in-full.

ACCOMMODATIONS

For the convenience of our attendees, a block of discounted rooms has been set aside at the following hotels. Shuttle transportation will be provided between the hotel and workshop site each day.

Chase Park Plaza – \$155

One Bedroom Suite

212 N. Kingshighway, St. Louis, MO 63108

Phone: (877) 587-2427 Fax: (314) 633-3003

Website: <http://www.chaseparkplaza.com>

Water Tower Inn at Saint Louis University – \$75

Please mention Group 800 to receive discount

3545 Lafayette Ave., St. Louis, MO 63104

Phone: (314) 977-7500 Fax: (314) 977-7505 Website: <http://www.slu.edu/events/wti.html>

For information on alternative hotels, contact the Course Coordinator.

Make reservations directly with the hotel. Room reservations are NOT made through the Practical Anatomy office. **Do not make airline reservations until you have received written confirmation of placement in the workshop.**

SOCIAL RECEPTION

A social reception is planned for Friday, June 26, 2009. Participants are welcome to enjoy this special time to visit with fellow participants, faculty, and vendors at no additional cost. If you wish to bring a guest there will be an additional charge.

Please plan to attend this social reception before dinner. There are several restaurants within walking distance if you would like to make dinner plans in the area. Transportation will be provided to and from the social reception from the course hotels.

EDUCATIONAL OBJECTIVES

This workshop has been designed to provide prospective facial cosmetic surgeons with a comprehensive overview of the surgical anatomy and rejuvenation techniques of the upper and lower eyelids, the face and neck. More experienced surgeons will have the opportunity to enhance their skills while novice surgeons and residents will acquire the basic knowledge and skills needed for these rejuvenation procedures. By completing this workshop the participants will learn the most current basic techniques with an emphasis on safety for the following procedures:

- upper blepharoplasty
- lower blepharoplasty
- SMAS face lift
- limited incision face lift
- platysmaplasty
- facial implants

The objectives will be met in part by performing the procedures on specially prepared cadavers. The cadavers used are extremely flexible and “life-like”.

MISSION STATEMENT: Practical Anatomy & Surgical Education, Center for Anatomical Science and Education, Saint Louis University School of Medicine, is dedicated to the development and presentation of innovative medical health and science workshops. Practical Anatomy strives to promote the concept of lifelong learning by utilizing the latest technology to connect young people, residents, healthcare professionals and surgeons, to world-class experts and faculty.
